J.B. Crowell
United California Bank
South Santa Ana Office
Santa Ana, Calif. 92707

Dear Mr. Crowell:

Thank you for your letter in regards to National Coin Week. ~~The~~ ANA itself does not provide exhibits; these are place at various locations by competing coin clubs around the country. I am forwarding your letter to Maurice Gould, with the hope that a display can be arranged in time for National Coin Week at your bank.

Sincerely,

EDWARD C. ROCHETTE
Editor

Maurice Gould
[REDACTED]

Dear Maury:

I just received this letter from J.B. Crowther, manager of the United California Bank in Santa Ana. It is self explanatory, and if anyone can see that they get a display, I am sure that it would be you.

I would appreciate anything that you could do to see that they get a coin display for National Coin Week from one of your area coin clubs that will be competing in NCW.

As you know, we will be having the numismatic seminar here this summer the week of July 14. There will be five two-hour lectures, and could I prevail upon you to give one of these for us. The theme for the ANA's first numismatic seminar is "Numismatics in General, a Basic Introduction to Coin Collecting." I'll give you a buzz on this later in the week.

Sincerely,

EDWARD C. ROCHETTE
